

Rana™ Task Light

INSTALLATION INSTRUCTIONS

Part#: 69D25X-XX

PARTS/TOOLS NEEDED:

			
Rana Light	Power Supply	Wire Management Clip	Power Drill

IMPORTANT SAFETY INSTRUCTIONS. READ CAREFULLY FOR YOUR PROTECTION AND SAVE ALL INSTRUCTIONS.

- *Disconnect power before installing, adding or changing any component.
- *To avoid a hazard to children, account for all parts and destroy all packing materials.
- *Use only with UL approved power supply.

1. Plug the connector on the power supply cord into the connector attached to the light.

2. To install the wire management clips slide the cord into the clip and turn 90° to ensure the cord will stay in place. Then determine installation location and install by removing the paper backing and pressing in place.

3. The switch is at the end of the lamp. Press to turn light on. To use the dimming function, press and hold the switch in. It will dim to its lowest cycle and then start to brighten again. Release the switch when the light intensity is at the desired level.
